Re: Dockets 94-102, 05-196 and 06-119

Ex parte communication pursuant to Section 1.1206.

Dear Ms. Dortch :

Bill Munn, President of the National Emergency Number Association (“NENA”), and Jason Barbour, NENA First Vice President, accompanied by NENA Government Affairs Director Patrick Halley and the undersigned, as counsel, met yesterday with Commissioner Tate and Aaron Goldberger, and with Chairman Martin, Dan Gonzalez, Michelle Carey and Tom Navin – the Chairman and Mr. Navin via telephone.

In both visits, we discussed the effect of pending Congressional legislation on FCC requirements that VOIP service providers make available enhanced 9-1-1 access to their customers. With Commissioner Tate and Mr. Goldberger, we also discussed the 700 MHz service rules NPRM (FCC 06-114) released last week and the proceeding (Docket 06-119) taking comments on the recommendations of the special Hurricane Katrina panel.

Please direct any questions to the undersigned.

Sincerely,

MILLER & VAN EATON, P.L.L.C.
